9 UNITED STATES DISTRICT COURT
10 FOR THE EASTERN DISTRICT OF WASHINGTON

11 UNITED STATES OF AMERICA,

12 Plaintiff,

2:17-CR-182-TOR-2

13 vs.

Plea Agreement

14 DAVID R. BISHOP,

15 Defendant.

16 Plaintiff, United States of America, by and through Joseph H. Harrington,
17 United States Attorney for the Eastern District of Washington, and Patrick J.
18 Cashman, Assistant United States Attorney for the Eastern District of Washington,
19 and Defendant David R. Bishop and the Defendant's counsels, Amy Rubin and David
20 Fletcher, agree to the following Plea Agreement:

21 1) Guilty Plea and Maximum Statutory Penalties:

22 The Defendant agrees to plead guilty to Count 2 of the Indictment filed on
23 October 17, 2017, charging the Defendant with Possession with Intent to Distribute 50
24 Grams or More of Actual Methamphetamine, in violation of 21 U.S.C. §841(a)(1),
25 (b)(1)(A)(viii). The Defendant understands that the charge contained in the Indictment
26 is a Class A felony. The Defendant also understands that the maximum statutory
27 penalty for Possession with Intent to Distribute 50 Grams or More of Actual
28 Methamphetamine, in violation of 21 U.S.C. §841(a)(1), (b)(1)(A)(viii), is: not less

1 than 10 years nor more than a life term of imprisonment; a fine not to exceed
2 \$10,000,000; a term of supervised release of not less than 5 years up to a life term;
3 denial of certain federal benefits; and a \$100 special penalty assessment.

4 The Defendant understands that a violation of a condition of supervised release
5 carries an additional penalty of re-imprisonment for all or part of the term of
6 supervised release without credit for time previously served on post-release
7 supervision.

8 2) Denial of Federal Benefits:

9 The Defendant understands that by entering this plea of guilty the Defendant is
10 no longer eligible for assistance under any state program funded under part A of title
11 IV of the Social Security Act (concerning Temporary Assistance for Needy Families)
12 or benefits under the food stamp program or any state program carried out under the
13 Food Stamp Act. 21 U.S.C. §862a. Further, the Court may deny the Defendant's
14 eligibility to any grant, contract, loan, professional license, or commercial license
15 provided by an agency of the United States or by appropriated funds of the United
16 States. 21 U.S.C. §862.

17 3) The Court is Not a Party to the Agreement:

18 The Court is not a party to this Plea Agreement and may accept or reject this
19 Plea Agreement. Sentencing is a matter that is solely within the discretion of the
20 Court. The Defendant understands that the Court is under no obligation to accept any
21 recommendations made by the United States and/or by the Defendant; that the Court
22 will obtain an independent report and sentencing recommendation from the U.S.
23 Probation Office; and that the Court may, in its discretion, impose any sentence it
24 deems appropriate up to the statutory maximums stated in this Plea Agreement.

25 The Defendant acknowledges that no promises of any type have been made to
26 the Defendant with respect to the sentence the Court will impose in this matter. The
27 Defendant understands that the Court is required to consider the applicable sentencing
28

1 guideline range, but may depart upward or downward under the appropriate
2 circumstances.

3 The Defendant also understands that should the sentencing judge decide not to
4 accept any of the parties' recommendations, that decision is not a basis for
5 withdrawing from this Plea Agreement or a basis for withdrawing this plea of guilty.

6 4) Waiver of Constitutional Rights:

7 The Defendant understands that by entering this plea of guilty the Defendant is
8 knowingly and voluntarily waiving certain constitutional rights, including:

- 9 a) The right to a jury trial;
- 10 b) The right to see, hear and question the witnesses;
- 11 c) The right to remain silent at trial;
- 12 d) The right to testify at trial; and
- 13 e) The right to compel witnesses to testify.

14 While the Defendant is waiving certain constitutional rights, the Defendant
15 understands the Defendant retains the right to be assisted through the sentencing and
16 any direct appeal of the conviction and sentence by an attorney, who will be appointed
17 at no cost if the Defendant cannot afford to hire an attorney. The Defendant also
18 acknowledges that any pretrial motions currently pending before the Court are waived.

19 5) Elements of the Offense:

20 The United States and the Defendant agree that in order to convict the
21 Defendant of Possession with Intent to Distribute 50 Grams or More of Actual
22 Methamphetamine, in violation of 21 U.S.C. §841(a)(1), (b)(1)(A)(viii), the United
23 States would have to prove beyond a reasonable doubt the following elements:

24 *First*, on or about May 5, 2017, the Defendant, in the Eastern District of
25 Washington, knowingly possessed 50 grams or more of actual
methamphetamine, a Schedule II controlled substances; and

26 *Second*, the Defendant possessed it with the intent to distribute it to another
27 person.
28

1 6) Factual Basis and Statement of Facts:

2 The United States and the Defendant stipulate and agree that the following facts
3 are accurate; that the United States could prove these facts beyond a reasonable doubt
4 at trial; and these facts constitute an adequate factual basis for Defendant's guilty plea.
5 This statement of facts does not preclude either party from presenting and arguing, for
6 sentencing purposes, additional facts which are relevant to the guideline computation
7 or sentencing, unless otherwise prohibited in this agreement.

8 On April 8, 2017, Sergeant Chris Foreman of the Columbia River Drug Task
9 Force ("CRDTF") learned that James McGuire ("McGuire") was arrested the previous
10 evening at the Mill Bay Casino in Manson, Washington on a felony Department of
11 Corrections Escape warrant. During the booking process at the Chelan County Jail,
12 officers located methamphetamine in McGuire's wallet. Sergeant Foreman, using the
13 Chelan County Jail Phone Recording system began listening to McGuire's jail phone
14 calls. Sergeant Foreman determined that between April 8, 2017 and May 4, 2017,
15 McGuire maintained regular contact with the Defendant, David R. Bishop.

16 While listening to these phone conservations, Sergeant Foreman heard McGuire
17 and Bishop speaking in code, which based on Sergeant Foreman's training and
18 experience was consistent with drug distribution. McGuire and Bishop were heard
19 using terminology such as "clean out," "timesheet," and "accountant." McGuire and
20 Bishop also used numbers, colors, and at one point made up vehicle VIN (Vehicle
21 Identification Numbers) to discuss the type and quantity of controlled substances left
22 over.

23 Based upon his review of McGuire's jail calls, Sergeant Foreman applied for
24 two search warrants. The first search warrant was executed at Bishop's residence on
25 May 5, 2017. This residence is located in Wenatchee, Washington, which is within the
26 Eastern District of Washington. During the execution of the search warrant, Bishop,
27 post-Miranda, informed Sergeant Foreman that he had a silver lock box (as previously
28

1 discussed during jail phone calls) in his vehicle. This lock box contained
2 approximately 324 grams of methamphetamine, approximately 7.5 grams of heroin,
3 approximately \$3,000 U.S. currency, and a digital scale. Bishop further stated to
4 Sergeant Foreman that he was selling and delivering drugs for McGuire, since
5 approximately late February or early March 2017. Bishop further advised Sergeant
6 Foreman that on or about April 27, 2017 he delivered another lock box to the
7 residence of McGuire's cousin.

8 Subsequently, Sergeant Foreman requested a search warrant for this residence.
9 Upon execution of the search warrant, officer located the lock box. Contained within
10 the lock box was heroin and methamphetamine. Also located in the box was
11 approximately \$17,588.25 in U.S. currency and drug ledgers showing how much
12 individual's owed McGuire.

13 The parties stipulate for purposes of establishing the elements of this offense
14 that Bishop possessed with the intent to distribute to another person at least 50 grams
15 are actual methamphetamine, a Schedule II controlled substance.

16 7) The United States Agrees:

17 a) Dismissal(s):

18 At the time of sentencing, the United States agrees to move to dismiss Counts 1
19 and 3 of the Indictment, which charges the Defendant with:

20 Count 1: Conspiracy to Possess with the Intent to Distribute –
21 Methamphetamine and Heroin, in violation of 21 U.S.C. § 846; and

22 Count 3: Possession with the Intent to Distribute 100 Grams or More of
23 a Mixture or Substance Containing a Detectable Amount of Heroin, in
24 violation of 21 U.S.C. § 841(a)(1), (b)(1)(B)(i), and 18 U.S.C. § 2.

25 b) Not to File Additional Charges:

26 The United States Attorney's Office for the Eastern District of Washington
27 agrees not to bring any additional charges against the Defendant based upon
28 information in its possession at the time of this Plea Agreement and arising out of

1 Defendant's conduct involving illegal activity charged in this Indictment, unless the
2 Defendant breaches this Plea Agreement any time before or after sentencing.

3 c) Not to File Information for Penalty Enhancement:

4 The United States agrees not to file an enhanced penalty information to
5 establish the Defendant's prior drug conviction, pursuant to 21 U.S.C. § 851.

6 8) United States Sentencing Guideline Calculations:

7 The Defendant understands and acknowledges that the United States Sentencing
8 Guidelines (hereinafter "U.S.S.G.") are applicable to this case and that the Court will
9 determine the Defendant's applicable sentencing guideline range at the time of
10 sentencing.

11 a) Base Offense Level:

12 The United States and the Defendant make no agreement as to the base offense
13 level.

14 The United States believes that the base offense level for Possession with Intent
15 to Distribute 50 Grams or More of Actual Methamphetamine, in violation of 21
16 U.S.C. §841(a)(1), (b)(1)(A)(viii) is 30, based on a combined drug quantity that is the
17 equivalent to greater than 1000 kilograms but less than 3,000 kilograms or marijuana.
18 See U.S.S.G. §2D1.1(a)(5), (c)(5).

19 b) Specific Offense Characteristics:

20 The parties make no agreement as to the application of specific offense
21 characteristics.

22 c) Role in the Offense :

23 The parties make no agreement as to the application of role enhancements
24 based upon the Defendant's role in the offense.

25 d) Acceptance of Responsibility:

26 If the Defendant pleads guilty and demonstrates a recognition and an
27 affirmative acceptance of personal responsibility for the criminal conduct; provides
28

1 complete and accurate information during the sentencing process; does not commit
2 any obstructive conduct; accepts this Plea Agreement; and enters a plea of guilty no
3 later than September 20, 2018, the United States will move for a three (3) level
4 downward adjustment in the offense level for the Defendant's timely acceptance of
5 responsibility, pursuant to U.S.S.G. §3E1.1(a) and (b).

6 The Defendant and the United States agree that the United States may at its
7 option and upon written notice to the Defendant, not recommend a three (3) level
8 downward reduction for acceptance of responsibility if, prior to the imposition of
9 sentence, the Defendant is charged or convicted of any criminal offense whatsoever or
10 if the Defendant tests positive for any controlled substance.

11 d. Final Adjusted Offense Level

12 The parties make no agreement as to the final adjusted offense level.

13 e) Criminal History:

14 The United States and the Defendant understand that the Defendant's criminal
15 history computation is tentative and that ultimately the Defendant's criminal history
16 category will be determined by the Court after review of the Presentence Investigative
17 Report. The United States and the Defendant have made no agreement and make no
18 representations as to the criminal history category, which shall be determined after the
19 Presentence Investigative Report is completed.

20 9) Departures/Variance:

21 The Defendant intends to request a downward departure or variance from the
22 sentencing guidelines. The United States reserves its right to oppose any downward
23 departure or variance.

24 10) Incarceration:

25 The United States agrees to recommend that the Court impose a sentence no
26 greater than 120 months incarceration. The Defendant may recommend any legal
27 sentence he deems appropriate.

11) Criminal Fine:

The United States and the Defendant are free to make whatever recommendation concerning the imposition of a criminal fine that they believe is appropriate.

12) Supervised Release:

The United States and the Defendant agree to recommend that the Court impose a 5 year term of supervised release to include the following special conditions, in addition to the standard conditions of supervised release:

- a) that the Defendant participate and complete such drug testing and drug treatment programs as the Probation Officer directs; and
- b) that the Defendant's person, residence, office, vehicle, and belongings are subject to search at the direction of the Probation Officer.

13) Mandatory Special Penalty Assessment:

The Defendant agrees to pay the \$100 mandatory special penalty assessment to the Clerk of Court for the Eastern District of Washington, at or before sentencing, pursuant to 18 U.S.C. §3013 and shall provide a receipt from the Clerk to the United States before sentencing as proof of this payment.

14) Payments While Incarcerated:

If the Defendant lacks the financial resources to pay the monetary obligations imposed by the Court, the Defendant agrees to earn the money to pay toward these obligations by participating in the Bureau of Prisons' Inmate Financial Responsibility Program.

15) Additional Violations of Law Can Void Plea Agreement:

The Defendant and the United States agree that the United States may at its option and upon written notice to the Defendant, withdraw from this Plea Agreement or modify its recommendation for sentence if, prior to the imposition of sentence, the

1 Defendant is charged or convicted of any criminal offense whatsoever or if the
2 Defendant tests positive for any controlled substance.

3 16) Appeal Rights:

4 In return for the concessions that the United States has made in this Plea
5 Agreement, the Defendant agrees to waive the right to appeal the sentence if the Court
6 imposes a prison term of no longer than one hundred twenty (120) months. Should
7 the Defendant successfully move to withdraw from this Plea Agreement or should the
8 Defendant's conviction on Count 2 of the Indictment be dismissed, set aside, vacated,
9 or reversed, this Plea Agreement shall become null and void; the United States may
10 move to reinstate all counts of Indictment No. 2:17-CR-182-TOR-2; and the United
11 States may prosecute the Defendant on all available charges involving or arising from
12 this investigation. Nothing in this Plea Agreement shall preclude the United States
13 from opposing any post-conviction motion for a reduction of sentence or other attack
14 of the conviction or sentence, including, but not limited to, proceedings pursuant to 28
15 U.S.C. §2255 (writ of habeas corpus).

16 17) Integration Clause:

17 The United States and the Defendant acknowledge that this document
18 constitutes the entire Plea Agreement between the United States and the Defendant,
19 and no other promises, agreements, or conditions exist between the United States and
20 the Defendant concerning the resolution of the case. This Plea Agreement is binding
21 only upon the United States Attorney's Office for the Eastern District of Washington,
22 and cannot bind other federal, state or local authorities. The United States and the
23 Defendant agree that this agreement cannot be modified except in a writing that is
24 signed by the United States and the Defendant.
